MEMO ENDORSED

Concerne : ANWAR et al. against FAIRFIELD GREEN WICH LIMITED et al.

Your Honor,

Further to the above-referenced letter of request that you issued on March 4, 2013, we would like to bring to your attention, as well as that of the parties to these proceedings, that the examination of Peter Schmid by our Court was to take place on Tuesday and Wednesday, June 4 and 5, 2013.

We wish to advise you that the witness has informed the Court, and provided supporting evidence, of his unavailability on those dates, such that the deposition was cancelled.

Measures will be taken in order to schedule other dates as soon as possible, potentially before the end of June. In the best case, however, this means that the letter of request will not be executed and returned to you by June 30, 2013, the time prescribed by the letter of request.

Accordingly, we kindly request an extension of the aforesaid deadline of least 30 days. In light of the constraints imposed by the scheduling of another examination date, we would appreciate a response from you by email or fax.

A copy of this letter is being sent to counsel for the Citco defendants, who will inform the other parties to these proceedings.

We look forward to your response, Your Honor, and thank you for your assistance.
